This Nonexclusive Software License Agreement (“Agreement”) is a contract between you, your heirs, successors and assigns (“Licensee”) and Microchip Technology Incorporated, a Delaware corporation, with a principal place of business at 2355 W. (b) Licensee agrees that the provisions of this Agreement regarding unauthorized use and nondisclosure of the Software, Documentation and related Proprietary Rights are necessary to protect the legitimate business interests of Microchip and its licensors and that monetary damages alone cannot adequately compensate Microchip or its licensors if such provisions are violated. Licensee, therefore, agrees that if Microchip alleges that Licensee or Third Party has breached or violated such provision then Microchip will have the right to petition for injunctive

relief, without the requirement for the posting of a bond, in addition to all other remedies at law or in equity.

Upon termination, Licensee and Third Party will immediately stop using the Software, Documentation, and derivatives thereof, and immediately destroy all such copies.
